Synopsis :

Dave Stevens was renowned for his work on *The Rocketeer*, the beloved comic that introduced the world to Cliff Secord and his incredible rocket pack. But Stevens was also one of the most sought-after and accomplished cover artists in comics. This collection will provide a comprehensive gallery of Dave's covers, with many of them scanned from the original art. Additionally, there will be cover roughs to accompany many of the covers. Finally, all of Dave's non-Rocketeer comic work will be presented, including incomplete and unpublished stories.
