## Synopsis :

Review 'A thoughtful and well researched contribution to the analysis of structural adjustment policies worldwide.' Gita Sen, Indian Institute of Management 'There have been remarkably few books on this subject written from a feminist perspective. This is therefore a particularly welcome addition.' Peggy Antrobus, general coordinator of DAWN 'This book captures the real life situation in Africa. It should wake up the people who read it and inspire, motivate and move them to action in solidarity with women.' Julia Mulaha, Women's Programme, National Council of Churches Kenya Read more About the Author Pamela Sparr is an economist working for the Women's Division of the United Methodist Church in Washington, D.C. The contributors are all women social scientists from the countries concerned. Read more
